Winter School is a program specifically for Indigenous students in Years 10, 11 and 12 who are considering further studies beyond high school.

The week-long residential program is designed to provide students with the opportunity to experience what

university life is all about, through participation in academic lectures and tutorials, presentations, study sessions, team building activities, interacting with university staff, current students and fellow applicants, cultural activities and more.

To add to the experience, accommodation is provided in colleges on campus.

Chloe and Lateisha were selected from a large number of applicants and will enjoy a week exploring their chosen subject areas - education for Chloe and visual art for Lateisha.

Sharon Grellman and Helen Wenner encouraged the students to apply and said they couldn't be prouder that both of them were successful in being selected.
