

Wee Waa girls put on classy displays at cup

The Wee Waa High School Year 7 and 8 girls' netball team travelled to Narrabri to compete in the Netball Schools Cup earlier this month.

It played against three teams twice for a total of six games on the day and came away with three wins.

Their first challenge was last year's winners Narrabri Spice.

Wee Waa put in two great performances and was unfortunate to lose both the games that they played against the reigning champions.

Next up was a tough fixture against the Narrabri High boys' team.

Despite the boys showing great enthusiasm the girls were definitely the stronger team.

They came away with wins in both games.

The girls showed great sportsmanship as they helped the boys understand the rules and taught them how to play their positions.

The final two games were against Narrabri Sugar.

Wee Waa cruised to a 12-2 win in the first match, but the second game was neck and neck, and goal for goal.

At the bell Wee Waa was defeated 6-5.

There were plenty of parents in attendance to cheer on all four teams.

They were on hand to provide some first aid, water and snacks for the girls.

The Wee Waa girls said that they

WEE WAA HIGH SCHOOL YEAR 7 AND 8 GIRLS' NETBALL TEAM: Back, Zoe Zawada, Breanna Scaysbrook Georgia Smith, Alice Haire, front, Tameika Stewart, Elissa Channells, Lorina Williams and Tyanna Gaydon.

appreciated the efforts that the parents went to lend support.

Overall the girls were competitive in all six matches and had a fantastic time together.

They supported each other both on and off the court, and cheered each other for good plays and encouraged each other again strong opponents on the court.
