Year 12 farewell

It was a momentous occasion for Wee Waa High School's class of 2019 with teachers, parents and community members farewelling the year 12 students at a special assembly on Friday September 27.

"Words can't describe how proud I am," said year 12 adviser Stephen Druce.

Mr Druce said he was 'quite emotional' at the assembly because he had been the year group's adviser since the students started at WWHS in year 7.

He has helped guide and encourage the students through the 'ups and downs' of their high school years.

"I am sad but I am also excited to see

what's to come for the students."

Mr Druce praised the 13 year 12 students for supporting each other and constantly working as a team.

He said the 'Beanies for brain cancer' fundraiser that the students organised earlier this year was one of their greatest achievements.

"They all worked together and raised more than \$3000, it showed their compassion for others," said Mr Druce.

Mr Druce said the highlight of Friday's assembly was getting to perform with the students.

"We did a musical performance, a version of Paul Kelly's song - *From little things big things grow*."

Mr Druce said the students would 'hopefully' be studying hard for their Higher School Certificate for the next three weeks and would then 'be ready to enter a new world'.

WWHS staff also had a farewell message for the students.

"We wish you good health, happiness, success with your future endeavours and may we have the pleasure of welcoming you back to Wee Waa High from time to time."
